8. The consignments received through railway will be taken delivery of by the concerned Agricultural Inspectors and then the contractor has to arrange for its transit. Losses in railway will be recorded in the railway delivery book by the departmental people as heretofore. The responsibility of the contractor is only after taking delivery at the station yards and before delivering at the godowns.

9. Fractions below half maund will be omitted while preferring the bills and half maund and above construed as one maund. Fractions of cart-loads will be paid in proportion to the rates of the cart-loads (10 mds. as ¼ cart, 20 mds. as ½ cart, etc.)

10. The booking of articles and taking delivery at railway stations will be attended by the departmental staff.

11. The contractor will maintain a book for entering the consignments handed over to him for transport. Both the consignor and the consignee will sign in the book maintained. The bills preferred will be based on the entries in the books.

12. Payment to the contractor will be made after audit of bills to be preferred by him.

## OFFICE OF THE FUEL SUPPLY DIVISION OFFICER, BHADRAVATI.

Notification dated 10th July 1947.

Sealed tenders for the collection of coupe lots from Herebhasgar submersion area, and lotting in yards given below (lead one mile or less) will be received by the Fuel Supply Division Officer, Bhadravati up to 4 P.M. on Friday the 1st August 1947. Each tender shall be superscribed "Tender for the collection of coupe fuel from Herebhasgar Submersion Area" and should be accompanied by a deposit of Rs. 50 in currency.

The Conservator of Forests, Shimoga, will be at liberty to accept or reject the lowest or other tender without assigning any reason therefor. Deposits of unsuccessful tenderers will be returned within fifteen days from the date of intimation of approval, the successful tenderer shall furnish a security of Rs. 100 and execute a bond on a duly stamped paper, binding himself to the conditions below, failing which the earnest money already furnished will be forfeited to Government and the contract cancelled. Rate should be quoted per lot of 68′×4′×4′ 6″, comprised of billets of 4″ length, and 3″ and above in diameter. Passing Officer will give deductions for voids, cross-packing or other defects, and his opinion and passing shall be final. Bills will be paid on passed lots only as per measurement slip issued by the Passing Officer, once in a fortnight or once in a month, depending on the progress.

The submersion area is expected to be available for work till June 1948, and the yield expected from the area is from 3,000 to 5,000 lots. The Forest Range Officer will mark out the submersion area before work is started. Further the same officer will mark any trees for timber, and these shall not go into fuel lots, till timber fellings and extractions are completed.

Fellings shall not be made outside the submersion area.

For successful working of the entire area, the contractor shall work in close liaison with the Mysore Timber Company who are at present operating the area for timber, and with the Forest Range Officer in-charge. If Fuel Supply Division Officer is satisfied that the contractor's work is irregular or too slow, he shall be at liberty to entrust portions or the whole of the work to any other contractor, or arrange amani work, or to cancel the contractor's work.

Yards suggested for collection of lots. Not less than 200 lots should be collected compactly in each yard, as per instructions of Range Officer in-charge. Rates and No. of lots expected to be collected should be given separately for each centre below.

Alteration rates for lots of 7′×4′×4′ 6″, scattered over the felling area may also be given.
